NOTES:

This status conference was held to determine the effect of several defendants filing for bankruptcy.

The Court determined that an automatic stay does not apply, and it will not issue a discretionary stay. For the reasons set forth on the record, the Court would deny any motion filed for a discretionary stay. The Court further determined that the pending deadlines remain in effect. However, the Court will accept briefing on the impact the bankruptcy filing has on the ability of defense counsel to submit post-trial briefs on behalf of the bankruptcy defendants on or before **May 31, 2024**.
